

Bring your Children to Work Day **Tuesday, 15 October**

For those of you planning to bring their child/ren to work during the school holidays, this is a good opportunity for children to socialise and participate in tours or activities.

Child-friendly food will be provided by the School, at 12:00-13:00 in the Common Room, which will be booked for the occasion.

A list of activities can be found on the event website. Parents must supervise their own children throughout the day.
